Meet Sharks, Sea Stars and Other Creatures Under the Sea

What creature that lives under the sea have you always wanted to meet? A crab, a giant sea snail, or maybe even a shark? Now you have the chance! Experience the fun of Under the Sea at Hidden Oaks Nature Center on Saturday, August 13, 2016 at 1:30 p.m. Touch a horseshoe crab, lean close to a shark, and learn about the native sea life of the Chesapeake Bay and the Atlantic Ocean.

Under the Sea is an hour-long interactive program for everyone over the age of four. You'll learn about sea life in person, from sponges to sea stars. Get a head start on what you will experience by peeking online at Under the Sea's website at <http://bit.ly/2agFx3h>, and then come meet the sea creatures and learn why they live in the areas that they do.

The cost of the program is \$7. The program is open to families and scout groups. Children must be accompanied by an adult registered in the program. Register in advance at <http://go.usa.gov/xgxed>. Hidden Oaks Nature Center is located at 7701 Royce Street in Annandale, VA. For more information, call 703-941-1065.
